[mission 18] \$ gsh goal

me

Mission goal

As you are walking around the castle, you feel like you are being watched... Turn your head quickly enough and you may see one of the paintings' eyes following you.

Episode 1/ Run the ``xeyes`` command, and stop it.
2/ Run the ``xeyes`` command in the background.

Useful commands

xeyes

Open a window with 2 eyes that track your mouse.

COMMAND &

Run the command in the background.

Control-c

This key binding usually interrupts the current command by sending it the "INT" signal.

[mission 18] \$ xeyes

^C

[mission 18] \$ xeyes &

[1] 94083

[mission 18] \$ gsh check

Congratulations, mission 18 has been successfully completed!

[mission 19] $ gsh check  
  
Congratulations, mission 19 has been successfully completed!  
  
You are back at the entrance of the maze...  
  
Congratulations!  
  
From now on, the command ``ls`` will try using a color code to make it easier to differentiate between directories and several kinds of files.  
  
Use the command  
$ gsh help  
to get the list of "gsh" commands.
```

```
[mission 20] $ gsh goal  
  
Mission goal  
Find the silver coin in the maze in the garden and move it to your chest using the shell.  
  
Useful commands  
ls -R  
Print the list of all files / directory, including those in sub-directories (recursively).
```
